A.HOMEPAGE

The screenshot shows the AEM homepage for 'JEWEL BID'. The main header features a large gold bracelet image. Below it, the title 'JEWEL BID' is displayed. On the left, there are 'REGISTER' and 'LOG IN' buttons. On the right, there is a 'CART' button. The Windows taskbar at the bottom shows various open applications and system status.

The screenshot shows the AEM homepage for 'HOME PAGE'. It features a large gold bracelet image. Below it, the title 'HOME PAGE' is displayed. A welcome message reads: 'Welcome to JEWEL BID. We specialise in Estate and Repossessed Jewellery. Our auctions run three times a month and includes a vast selection of Jewellery ranging from Rings, Earrings, Pendants and Bracelets. Coloured Stones all at wholesale prices - NO V.A.T. We aim to provide as much information on each lot as possible but they can be inspected and viewed prior to the auctions closing. If you need any more information, we will do all we can to provide you with as much information as possible.' Navigation links include 'JEWELRY CATALOGUE PAGE' and 'DASHBOARD FOR CUSTOMER INSIGHTS DETAILS FOR RESORT'. A 'DISCLAIMER' section follows, stating: 'The information contained on the Service is for general information purposes only. The Company assumes no responsibility for errors or omissions in the contents of the Service. The Company reserves the right to make additions, deletions, or modifications to the contents on the Service at any time without prior notice.' At the bottom, there is a footer with 'admin', 'Customer', '© 2017 Company name | All rights reserved', and a 'CONTACT US' link. The Windows taskbar at the bottom shows various open applications and system status.

CONTACT US PAGE

The screenshot shows a browser window with the title "CONTACT US PAGE". The URL in the address bar is "localhost:4502/editor.html/content/JEWEL-BID/us/en/contact-us-page.html". The page content includes the "JEWEL BID" logo at the top right, followed by the text "JEWEL BID" and "CONTACT US PAGE". Below this is a large red and white graphic featuring a red telephone handset. The word "CONTACT US" is prominently displayed in white on the red background. A small "Activate Windows" watermark is visible in the bottom right corner of the page area. The browser toolbar at the top shows tabs for "AEM Sites", "CONTACT US PAGE", "Meet - pxt-escu-kgp", and "AEM - Google Docs". The taskbar at the bottom shows various application icons and system status.

JEWELLERY CATALOGUE PAGE

The screenshot shows a browser window with the title "Jewellery Catalogue page". The URL in the address bar is "localhost:4502/editor.html/content/JEWEL-BID/us/en/jewellery-catalogue-page.html". The page content includes the "JEWEL BID" logo at the top right, followed by the text "JEWEL BID" and "Jewellery Catalogue page". Below this is a large image of a gold necklace. The text "JEWELLERY ID - 001" is displayed next to the image. A "ADD TO CART" button is present. The text "BIDDING PRICE - \$ 150.88" is shown below the image. A small "Activate Windows" watermark is visible in the bottom right corner of the page area. The browser toolbar at the top shows tabs for "AEM Sites", "Jewellery Catalogue page", "Meet - pxt-escu-kgp", and "AEM - Google Docs". The taskbar at the bottom shows various application icons and system status.

DASHBOARD FOR CUSTOMER INSIGHTS DETAILS FOR RESORT

The screenshot displays a web browser window with the following details:

- Header:** "DASHBOARD FOR CUSTOMER INSIGHTS DETAILS FOR RESORT".
- Image:** A large, vibrant photograph of a resort's swimming pool area at dusk or night. The pool is illuminated, reflecting the surrounding palm trees and resort buildings. Sunloungers and umbrellas are visible around the pool.
- Text:** "JEWEL BID" and "DASHBOARD FOR CUSTOMER INSIGHTS DETAILS FOR RESORT".
- Bottom Content:** A section titled "CUSTOMER INSIGHTS DETAILS FOR RESORT" followed by a "Activate Windows" watermark.
- System Status Bar:** Shows weather (30°C Rain showers), battery level (ENG 4:08 PM IN 11/22/2021), and other system icons.

ADAPTIVE FORMS

1.ADMIN

The screenshot displays a web browser window with the title "ADDING CUSTOMER DETAILS". The main content is a form titled "Customer Details" containing six input fields:

- First Name
- Last Name
- Email Address
- Contact Number
- User_Name
- Date Of Date (with a calendar icon)

The browser's address bar shows the URL: `localhost:4502/editor.html/content/JEWEL-BID/us/en/adding-customer-details.html`. The top navigation bar includes "Edit" and "Preview" buttons. The taskbar at the bottom of the screen shows the Windows logo, a search bar, pinned icons for File Explorer, Task View, Edge, File History, Mail, Photos, OneDrive, and Microsoft Store, and system status indicators for weather (30°C Rain showers), language (ENG), battery (409 PM), and date/time (IN 11/22/2021).

Create Multi lingual website setup including Indonesian language support for the existing project in AEM using internationalization

The screenshot shows the English version of the Jewel Bid website. The page features a banner with gold jewelry and Indian rupee notes. The main title is "JEWEL BID". Navigation links include "DAFTAR" and "MASUK" on the left, and "GEROBAK" on the right. A Windows taskbar at the bottom shows the date as 11/22/2021.

The screenshot shows the Indonesian version of the Jewel Bid website. The page features a banner with gold jewelry and Indian rupee notes. The main title is "BERANDA HALAMAN". Below it is a paragraph of text in Indonesian. Navigation links include "HALAMAN CATALOGUE PERHIASAN" and "DETAIL DASBOR UNTUK WAWASAN PELANGGAN UNTUK RESOR". A Windows taskbar at the bottom shows the date as 11/22/2021.

The screenshot shows the Indonesian version of the "About Us" page. It contains a paragraph of text in Indonesian about the company's mission and a note about VAT. It includes links for "Admin" and "Pelanggan". At the bottom, there is a copyright notice for 2017 and a "CONTACT US" link. A Windows taskbar at the bottom shows the date as 11/22/2021.

The screenshot shows the Adobe Experience Manager (AEM) interface. On the left, a sidebar lists various AEM components: Campaigns, Core Components, Community Sites, Screens, WeRetail, WKND Events, We-train, Mysite, and JEWEL-BID. The JEWEL-BID item is selected. The main content area shows a tree structure with 'us' and 'en' branches under 'JEWEL-BID'. The 'en' branch has several sub-nodes: 'BERANDA HALAMAN home-page', 'HUBUNGAN KAMI HALAMAN contact-us-page', 'Halaman Katalog Perhiasan jewellery-catalogue-page', 'Halaman CheckOut checkout-page', 'Detail wawasan Dasbor untuk... dashboard-for-customer-insig...', 'Menambahkan Detail Pelang... adding-customer-details', 'Formulir pendaftaran dan login register-and-login-form', 'formulir checkout checkout-form', and 'Formulir Log In log-in-form'. Below the tree, there's a 'Create' button and a 'Select All' checkbox. At the bottom, a Windows taskbar shows a search bar, the Start button, and various pinned icons.

2.1. Define a workflow for the content auditing by content editors, where author can publish the content which has to be verified in two step process, first by editors/proofreader and the other approval by legal team then only the content should be published.

The screenshot shows the 'Workflow Archive' page in Adobe Experience Manager (AEM). It lists completed workflows with the following details:

Status	Initiator	Start Time	End Time	Model	Payload	Comment	Title	Version
COMPLETED	admin	11/22/21, 2:28 PM	11/22/21, 2:28 PM	WCM: Sync Translation Job	/content/projects/indonesian/indonesian/jcr:content/dashboard/gadgets/translationjob			1.0
COMPLETED	admin	11/22/21, 2:25 PM	11/22/21, 2:26 PM	WCM: Sync Translation Job	/content/projects/indonesian/indonesian/jcr:content/dashboard/gadgets/translationjob			1.0
COMPLETED	workflow-process-service	11/22/21, 2:22 PM	11/22/21, 2:23 PM	WCM: Prepare Translation Project	/content/JEWEL-BID/us/id			1.0
COMPLETED	admin	11/22/21, 2:22 PM	11/22/21, 2:22 PM	WCM: Create Language Copy	-			1.0

At the bottom, a Windows taskbar shows a search bar, the Start button, and various pinned icons.

The screenshot shows the AEM Workflow Models interface. At the top, there are several browser tabs open, including 'Workflow Models', 'Meet - pxr-escu-kgp', 'AEM - Google Docs', 'Calendar - Priyesh Jena (IN)', and '(26) Meeting | Microsoft Teams'. The main area is titled 'Workflow Models' and displays a grid of workflow items:

- Comprehensive Workflow**: No Description, Version: 1.2
- Launch Review**: No Description, Version: 1.0
- Smart Tags Training**: Transfer assets and initiate training for associated tags, Version: 1.0
- Dynamic Media Encode Video**: This workflow manages the update of dynamic media videos, Version: 1.0
- Adobe Launch Library Download**: Workflow handling the download, extraction and replication of Adobe Launch Libraries, Version: 1.0
- DAM Update Asset**: This workflow manages the update of
- Activate Windows**: Go to Settings to activate Windows.

The bottom of the screen shows a Windows taskbar with icons for File Explorer, Edge, and other applications, along with system status information like weather (30°C Rain showers), battery level (ENG 429 PM), and date/time (11/22/2021).

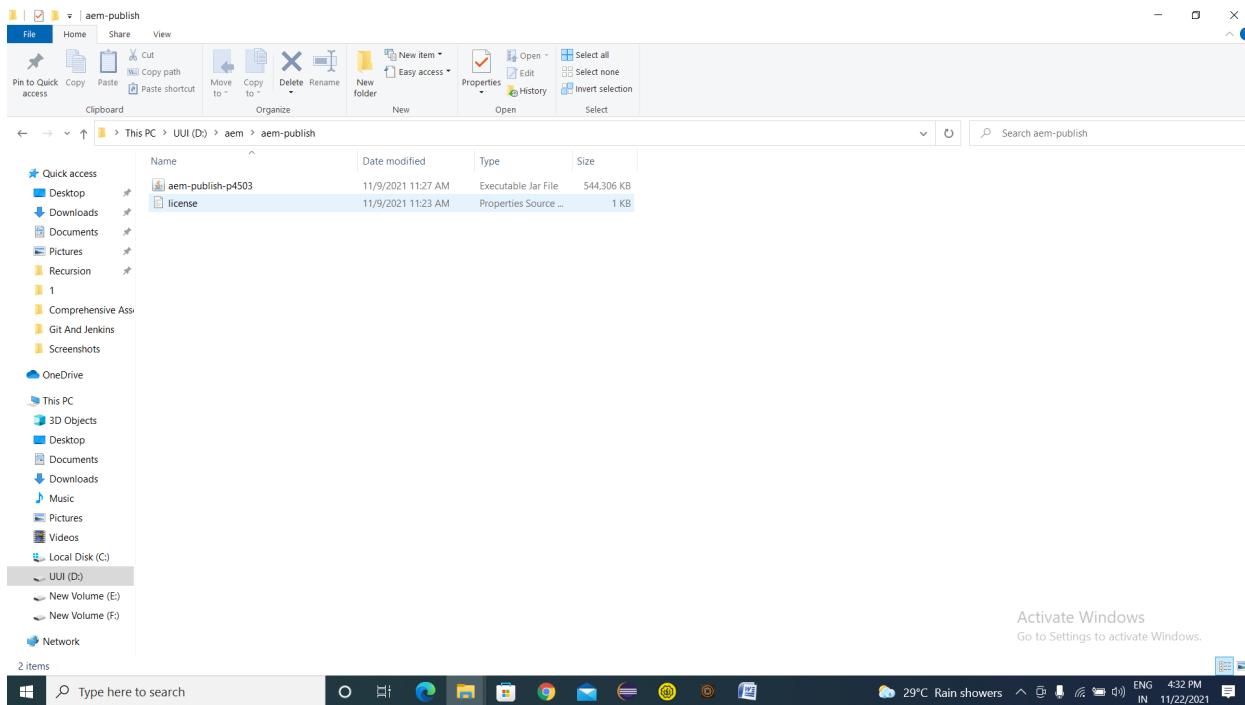

AEM AUTHOR AND PUBLISH INSTANCE

The screenshot shows a Windows File Explorer window with the path 'This PC > UUI (D:) > aem > aem-author >'. The file list includes:

Name	Date modified	Type	Size
crx-quickstart	11/9/2021 11:38 AM	File folder	
aem-author-p4502.jar	11/9/2021 11:27 AM	Executable Jar File	544,306 KB
license	11/9/2021 11:23 AM	Properties Source ...	1 KB
license	11/21/2021 10:27 AM	Compressed (zip...)	544,300 KB

The left sidebar shows a navigation tree with categories like Quick access, Desktop, Downloads, Documents, Pictures, Recursion, OneDrive, and Network. The 'UUI (D:)' drive is currently selected. At the bottom, there is an 'Activate Windows' message: 'Go to Settings to activate Windows.'

The bottom of the screen shows a Windows taskbar with icons for File Explorer, Edge, and other applications, along with system status information like weather (29°C Rain showers), battery level (ENG 431 PM), and date/time (11/22/2021).

Create a basic AEM project called “JEWELBID” using Maven archetype and deploy it as a project in AEM dashboard. Create a VLT using Eclipse using VaultEclipse Plugin.
